

**BOARD OF EDUCATION
REGULAR MEETING MINUTES
OCTOBER 8, 2024**

A regular meeting of the Enfield Board of Education was held in Council Chambers on October 8, 2024.

1. **CALL TO ORDER:** The meeting was called to order at 7:00 PM by Chairwoman Riley.
2. **INVOCATION OR MOMENT OF SILENCE:** Philip Kober
3. **PLEDGE OF ALLEGIANCE:** Philip Kober
4. **FIRE EVACUATION ANNOUNCEMENT:**
5. **ROLL CALL:**

MEMBERS PRESENT: Jean Acree, Dr. Gerald Calnen, Janet Cushman, Peter Jonaitis, Philip Kober, Tina LeBlanc, Amanda Pickett, Scott Ryder and Charlotte Riley

MEMBERS ABSENT: None

ALSO PRESENT: Mr. Steven A. Moccio, Superintendent; Mr. Andrew B. Longey, Deputy Superintendent; Student Representatives Isabella Dinnald & Olivia Nuccio

6. BOARD GUEST(S)

ParentSquare Presentation – Dr. Wiley – Dr. Wiley presented the Board and audience with a presentation about ParentSquare. She reviewed communication methods from last year compared to this year. Parents can select how they will receive messages and notifications including the languages for the message. She also reviewed our calendars. If you have any questions, please contact us at EDTECHHELP@ENFIELDSCHOOLS.ORG. She also reviewed the 2024-25 returning student annual update that each parent needs to complete.

Mr. Ryder would like PTO's to receive this presentation. Dr. Wiley stated she has presented this at 5 different PTO meetings. She can present more and even hold workshops if needed.

Mr. Ryder likes the ParentSquare link, calendar and widgets that are on each school website. How will parents receive messages if they do not have internet access or a device? Dr. Wiley added we have a list, and we will work with each building to see how we can fill in the gaps.

Mr. Ryder likes the option for choosing the language to receive messages. Our families speak many different languages.

Mrs. Pickett thanked her for this presentation. She asked about the data being collected to reach our families and how this will be used in the future. Will conferences eventually be scheduled in ParentSquare? Are the changes that are made live? She also liked the calendar options and urgent and non-urgent messages. Dr. Wiley stated yes conferences can be scheduled this way. Any changes made are live. Messages will be sent out by the users choice. True alerts will be sent out this way. We are working to make sure everyone is on the same page.

Mrs. Pickett asked if students could access ParentSquare. Dr. Wiley stated we have opened up messages in ParentSquare for K-5 students so they can see message posts. High school

students can see messages and posts also. We are working with Principal Brown for JFK messages.

Mrs. Pickett likes the option for translation to other languages for our parents too.

Mr. Jonaitis also asked about the calendars, and if you can pick and choose to see the events for different schools. Dr. Wiley added you can see the events on the district calendar or at the school site. Each entry color is for a different school.

Mr. Ryder added you can also download the information on your own personal device for the schools you have selected.

Mrs. Acree likes being able to see all of the school events. Will Board members be notified? Dr. Wiley stated Board members are set up in different groups. You can set your calendar up with different groups and change your settings so you will receive e-mails. You will receive e-mails with the events.

Mr. Kober asked if you looked at other vendors applications. Dr. Wiley stated we looked at other vendors and ParentSquare fit our needs best.

Mr. Kober asked about the contract. Dr. Wiley stated it is a one year contract.

Chairwoman Riley thanked Dr. Wiley for this informative presentation and all the work you have done for our district and families.

Dr. Wiley added 40% of our families have downloaded our ParentSquare application.

7. SUPERINTENDENT'S REPORT

a. Student Representative Update –

Student Representatives Dinnald and Nuccio provided the Board and public an update about events/happenings/athletics/music/college visits at EHS. They also expressed their excitement to serve as student representatives.

Mr. Jonaitis asked about the cost for yearbooks and do we offer financial assistance to students. Mr. Longey stated the cost for yearbooks is \$65 and yes we offer assistance to our students that received free/reduced lunches.

b. Columbus Day/Staff PL – NS – as Presented

c. Teacher of the Year Celebration – as Presented

d. EPS Update –

Mr. Moccio stated his first week has been extremely busy and it was wonderful meeting students and staff. He has had a lot of great conversations. He started meeting with his cabinet members and discussed how we will move forward. We will also start with our monthly ADCO meetings. We have started a lot of planning. The highlight has been eating lunches with the students. He had lunch at Hazardville Memorial with kindergarten and grade one students. He loves eating with the kids because they tell you the absolute truth. He will eventually get to the high school. He also had lunch with Crandall grade five students. He was also at Crandall for the Kid Governor competition. The students gave their debate speeches. At lunch, they gave me lists and told me what they like and dislike and what needs to be fixed at Crandall. Tomorrow he will visit Eli Whitney to eat lunch with them. Today he and Ms. Middleton stopped by Enfield Street. We were on our way back from the Head Start Policy meeting and totally disrupted their lunch. The kids asked me all kinds of questions and thought I was Mr. Lord.

Mr. Moccio added that he attempted to meet as many staff as possible and visit schools. He held several entry level meetings with staff. We have work to do moving our district forward

along with the day-to-day operations. Over the next couple of weeks he has additional entry level meetings planned. His calendar is booked. He is in the catchup phase and is trying to gain as much knowledge as possible to move us forward.

Mr. Moccio added he has spent a lot of time this week with Mrs. Cisneros our Business Manager, and he plans to meet with her again on Friday. We are full-steam ahead with planning our budget for the upcoming school year. Mr. Kober has seen this during the Finance and Budget Committee meeting. We are off to a great start.

8. AUDIENCES

Chairwoman Riley read a prepared statement about expectations for audience members, and you will be allowed 4 minutes each.

Joseph Golas, Jr., Stardust Drive – Mr. Golas congratulated and welcomed Mr. Moccio. He is a retired Science teacher. He congratulated our new student representatives. Ms. Nuccio's grandfather was a wonderful dentist. He congratulated our teacher of the year Sheree Winans. Your family's history includes our past and present. He spoke about former science teachers he worked with. He spoke about the CT Professional Code of Responsibility for teachers and

Lew Fiore, Cartier Road – Mr. Fiore also welcomed our new superintendent. He congratulated our new student representatives along with his granddaughter Olivia Nuccio for being selected as a student representative. He spoke about his family history in Enfield. Our family is extremely proud of Olivia. Ms. Nuccio is sitting in the same chair as her family has sat in.

Chairwoman Riley added Ms. Nuccio was also our kid Mayor.

Maureen Griffin, Abbe Road – Mrs. Griffin welcomed Superintendent Moccio. She spoke about the budget. The number of students placed in protective custody are increasing. We need more mental health support for our students. We lost a lot of staff from the budget cuts. The Town Council feels they can run our schools better than us and how to modernize our schools.

9. BOARD MEMBER COMMENTS

Dr. Calnen stated that he went to school with Actor John Ashton who recently passed away. He had a very successful career in Hollywood. He grew up in Enfield and graduated from Enfield High School. He was a likeable guy. He played football, the drums and was a member of the Lamplighters. He was part of the play "Oklahoma." This is where he got his love for acting. He would like to honor him as a lasting inspiration of what you can be. He would like us to name a building or school in his memory or even a scholarship in his name.

Dr. Calnen stated the Enfield Together Coalition held their kickoff event on September 27th at Asnuntuck. We discussed our mental health crises. There were many well know speakers that attended this event. Social isolation needs to be addressed. We need to look after each other.

Mrs. Cushman thanked Mr. Fiore for his comments. She also attended the ETC meeting at Asnuntuck. Our student representative Ms. Dinnald was also part of this discussion.

Mrs. Cushman added there will be another social media presentation that will be held next month about Internet Safety with Ms. Winans, Ms. Almeida, Dr. Wiley and Trooper First Class White on October 4th for grade 5 students at Eli Whitney, Prudence Crandall and Edgar H. Parkman and again in the evening for parents.

Student representative Dinnald asked if we still offer our students information about safety and keyboard knowledge. Dr. Wiley stated we are using curriculum around digital citizenship and media literacy. Mrs. Pickett added that we also offer events for parents. This is part of the

PK-5 curriculum.

Mr. Ryder stated that child safety day will be held on October 13th at the Enfield Mall. We will hold a Pink-Out day on October 18th for Breast Cancer Awareness month and encourage all students and staff to wear pink. The Jack-O-Lantern Festival will be held on October 19th on the Town Green.

Mrs. LeBlanc thanked Mr. Golas for his comments. She agrees that Mr. Cherry was an awesome teacher. She attended the EHS Girls Soccer game on Saturday. They lost but it was a great game.

Mrs. LeBlanc spoke about our School Modernization Committee and what was said about the plan at the Town Council meeting. The committee had a goal which they completed. Studies were conducted and each facility was looked at. This information about this was discussed at a Joint Facilities meeting. Renovating to new for three buildings would cost us around \$48 million and the total project cost is \$170 million with a State reimbursement of \$121 million. She reviewed other parts of the School Modernization presentation. Redistricting was also discussed. This has now been placed under DPW. We have a long term plan in place. We have a legal opinion about field usage during the school day.

Mrs. LeBlanc added we have had many great mayors like Mayor Kaupin and Mayor Ludwick. They formed joint committee's so both the Town and Board could work together.

Point of Order:

Mr. Jonaitis asked for a point of order and to not take shots against the Town Council.

Chairwoman Riley asked Mrs. LeBlanc to finish her comments.

Mrs. LeBlanc is concerned because these joint committees are being diminished. We should look at the resolutions for these joint committees before they are dissolved. These committees were important and were put into place by our former mayors. They brought us together to work for the common good.

Chairwoman Riley asked both Mrs. LeBlanc and Mr. Jonaitis to stop the back and forth.

Mrs. LeBlanc added the Town Council will need to vote on dissolving any committee. She would like us to look at the resolutions to make sure representation from both sides is present before any decisions are made to dissolve any joint committee. She would like each elected official to receive the resolution and the charge of the committee.

Mrs. Pickett thanked Mr. Moccio for your first week outline and next week plans, you are a breath of fresh air. You are taking steps to meet staff and students. She looks forward to the next steps.

Mrs. Pickett stated when you mentioned eating lunch with the students, her son also has considerations for lunch. She encourages you to continue these lunches with our students. Student feedback is important.

Mrs. Pickett welcomed our student representatives. Your perspectives will be invaluable to us. She attended the EHS football game last Friday with her family. It was a lot of fun. They will try to attend the upcoming EHS soccer game at Dillion Stadium. She encourages everyone to learn about Native Americans for Indigenous People's Day.

Mrs. Pickett addressed Mr. Golas by stating our teachers do not express their personal political beliefs when teaching. She would be concerned if this changes. She also addressed Mrs.

Griffin by stating she is also concerned with behavioral response system and safety for our students. She is not blaming anyone regarding our behavioral response system. We do not have enough staff for prevention, intervention and supervision to de-escalate any behavioral situation before they happen. We are talking about our kids and not criminals.

Mrs. Pickett is happy to hear we are starting to plan for the budget. We need to share accurate information when we discuss the budget. She was also concerned about what was said at last night's Town Council meeting about fixing our schools. Our schools have been in disrepair for years and need many repairs that have been ignored. We do not need band aid fixes. A strong school system is the backbone of a community.

Mrs. Pickett asked via the Chair to the Superintendent about the costs for PSAT and are they covered by the Board. Mr. Longey stated the Board will pay for PSAT fees.

Mrs. Pickett asked what staff will attend professional learning events. Mr. Moccio stated certified and non-certified staff will attend professional learning events.

Mrs. Pickett would like to receive an update about our professional learning events for our paras, behavior techs and support staff.

Mrs. Pickett added there is a student advisory council again this year and they will meet with Principal Clark and Superintendent Moccio. We are also again in the thick of it with our Kid Governor program. Our kids are leaders in our schools and community.

Mrs. Pickett stated it is also Hispanic Heritage month. Our Stowe Early Learning Center was highlighted on September 26th by the State Department of Education Office of Early Childhood in a webinar. She encourages you to check this out on the State website.

Mr. Jonaitis stated he thought we are here to do what is best for our students. He would like to know who was on the School Modernization Committee that toured our buildings and the costs for repairs. He does not appreciate the negative comments that are being made about our Town Council. Saving us money as taxpayers is the Town Council's job. People are fed-up with paying for more taxes. We spend a lot. Our town is very diverse. Our staff are paid a lot and maybe they can afford more taxes. He does not like us taking shots at the Town Council. We should not use our Board meetings to do this.

Mr. Jonaitis agrees that redistricting never works. Neighborhoods will continue to change every 10 years or so. The enrollment numbers were out of balance and that is why we needed to redistrict. It was a good idea when we did it. Our town is changing. There are pluses and minuses for neighborhood schools. He likes having neighborhood schools.

Mr. Jonaitis addressed audience speaker Mr. Golas by stating teachers have made political statements in the past and it should not happen. We allow our teachers to speak publicly. He feels the union or association should speak at Board and Town Council meetings. He agrees that our students should not be used as a pawn.

Mr. Jonaitis ask via the Chair to Superintendent about the costs for testing. Mr. Moccio will include this amount in his Friday update to the Board.

Mr. Jonaitis apologized to Mrs. LeBlanc for his previous comment.

Student Representative Dinnald stated that none of her teachers have ever brought up a political view in any of her classrooms.

Mr. Jonaitis addressed Student Representative Dinnald and added that as a former Social Studies teacher he would address all the topics you addressed.

Mrs. Pickett agrees with Mr. Jonaitis about our roles as Board members and she takes it seriously. She has attended Town Council meetings and has spoken to them directly about her concerns. She reports things here because it affects our schools, families and staff. These decisions will directly affect us and our schools. She also believes staff and students should be able to speak at our Board meetings.

Mr. Jonaitis would prefer our staff go thru their union representatives and let them speak. If you want to know what is going on with the Town Council, watch their meetings. You can watch our Board meetings also.

Mr. Kober also welcomed Mr. Moccio. We are all looking forward to fostering positive relationships between the Board and superintendent. He also welcomed our student representatives. He added that October is also national anti-bullying prevention month.

Mr. Kober stated Board members received information regarding enrollment and staffing numbers. He reviewed numbers for K-5 schools. He has reached out to Board leadership about an update on the School Modernization. When you are discussing K-5 redistricting, you are looking at schools with over 300 students and some schools with around 200 students which is a big difference.

Mr. Kober provided the Board and public with an update on his transparency initiative. The Board will receive some of this information within Mr. Moccio's updates. His level of detail and sharing information with help with transparency.

Mr. Kober stated he has also been working on several policy updates including one pertaining to the budget. We are also looking at consolidating the number of policies we currently have to streamline the process for efficiencies.

Mr. Kober feels the Board and Town Council need to work together and put aside partisan concerns. This is an election year, and we need to keep this in mind. He will continue to ask questions to assist us with our decisions. He will continue to fight for our kids because they are important. He would like to move our district forward in a positive direction instead of entrenching ourselves in a partisan battle.

Student Representative Nuccio agrees with what Ms. Dinnald stated. None of her teachers have ever brought up a political view in any of her classrooms.

Chairwoman Riley discussed the State EGMS system. Some of the grants are for multiple years. A lot of the grants for 2025 are not listed yet.

Chairwoman Riley does not like discussing the Town Council. She is only bringing this up because it relates directly to our schools. She watched the Town Council meeting and people have asked her about redistricting. She has told them we were not redistricting. We had our PK-5 School Modernization Committee, and they provided the Board with a report of their findings. We want to work with the Town Council. It is good to have a working partnership and these our Enfield kids. How you redistrict our schools is one thing or is something else is desired. The Town Council needs to establish a pre-referendum committee to discuss this and give parameters with options for redistricting. Our buildings need to be fixed. We redistricted because of Alcorn. We needed to work within the parameters established. Moving this to DPW to just make repairs is one thing. If they want reimbursement from the State, they will need follow the instructions from the State and the Board will need to be involved in order to submit necessary items. The superintendent is the person that will sign-off on all of the paperwork. The State just passed new legislation about construction projects, and you will need a chairman for the Building Committee, a ten year plan, and demographics along with a bunch of other items. If they want reimbursement from the State, they will need to work with the

Board of Education.

Chairwoman Riley read the original resolution for the Joint Facilities Committee. Based on this resolution, we would not need to form a new committee. If this is something they do not want to do, her suggestion would be to form a pre-referendum committee with guidelines in place with a goal.

Chairwoman Riley added that Mr. Dague is way more versed on school construction grants than she is. She is sure that he would be willing to come and speak about this.

Mr. Jonaitis added that this Town Council has a different mindset just like previous Town Councils and Mayors. This has been an ongoing problem. We used to provide maintenance to all our school buildings and then it was turned over to the town. We benefited from this because we did not need to spend our funds on building maintenance. He agrees that building maintenance on our schools has declined.

Mrs. Pickett added that having neighborhood schools is not an easy task because we would run into the similar problems with them be disproportionate. It is not just an easy neighborhood school solution. If we redistricted for 6 schools, they would not be neighborhood schools. The lines would be all over the district. This is important to mention. The Board should be part of any discussions regarding redistricting.

10. UNFINISHED BUSINESS: None

11. NEW BUSINESS

a. DISCUSSION & ACTION REGARDING FINANCIAL BANKING INSTITUTION APPLICATION

Mr. Ryder moved, seconded by Mrs. Pickett that the Enfield Board of Education approve the Financial Application with M&T Bank for a Credit Card.

Discussion:

Mr. Kober asked via the Chair to the Superintendent is there is a credit limit and will this be for purchasing approved items in the budget.

Mr. Moccio stated this would be used for approved items aligned within our budget. This is basically for a timing issue or if a vendor does not use a PO system and our automated process for payments. The funds for using the credit card will come out of Board funds.

Mr. Kober asked who will be the final approver? Mr. Moccio stated everything will come directly out of the Business Office.

A vote by **roll-call 9-0-0** passed unanimously.

b. APPROVE ED-099 AGREEMENT FOR CHILD NUTRITION PROGRAMS AUTHORIZED SIGNER FORM

Mrs. Pickett moved, seconded by Mr. Ryder that the Enfield Board of Education approves Superintendent Moccio and Deputy Superintendent Longey as Authorized Signers for the Child Nutrition Program ED-099.

Discussion:

Mr. Kober stated we had a previous signers and this will replace those signers. Mr. Moccio

stated that is correct and this will replace the previously approved authorized signers.

A vote by **roll-call 9-0-0** passed unanimously.

12. BOARD COMMITTEE REPORTS:

Curriculum Committee: Mrs. Acree reported the Curriculum Committee will meet on October 17th.

Finance Committee: Mr. Kober reported the Finance and Budget Committee met on October 7th. He provided a detailed budget overview of the meeting and grants. We will review monthly expenditures for September later on the agenda. We also discussed the FY2025-26 Budget calendar and process. We have cancelled the November 4th Finance and Budget meeting and will meet on November 12th.

Mrs. LeBlanc stated we can carry 2% over per the State as a contingency. She would prefer Mr. Kober refer to this as a contingency instead of a surplus.

Mr. Jonaitis asked about a comment made by an audience member of being \$4 million in the hole. Mr. Kober stated that was based off of last months summary of expenditures. The way it was read gave that impression. As of now, we are projecting a surplus or contingency.

Mr. Moccio added to help clarify this, he has met with Mrs. Cisneros a number of times. We are clarifying incoming revenue by line items for better tracking. Your bottom line will truly look like your bottom line. The budget is comprised of expenses and revenues. We are not in the hole and will have money to place into the 2% contingency fund.

Policy Committee: Mrs. Cushman reported the Policy Committee will meet on October 15th.

Leadership – Chairwoman Riley reported we met with Mr. Moccio during his first week. We will have a comprehensive budget with different parts included.

13. LIAISON REPORTS

Joint Facility – Mr. Ryder reported the Joint Facilities Committee schedule for Thursday was cancelled. The next scheduled meeting will be on October 24th.

JFK Building Committee – Mr. Ryder reported he does not have the date for the next JFK Building Committee meeting.

Joint Security Committee – Mr. Ryder reported the Joint Security Committee will meet on October 11th.

Enfield Mental Health Committee – Mrs. Acree reported they attended the Enfield Together Coalition Mental Health & Wellness event on September 27th at Asnuntuck. There were several guest speakers and loneliness is now being considered as a public health crises. Our next Enfield Mental Health Committee meeting will be held on October 9th.

Enfield Cultural Arts Commission – Mrs. LeBlanc reported the Enfield Cultural Arts Commission met next on October 1st. She is not sure of the next meeting date.

Joint Insurance Committee – Mrs. LeBlanc thanked Councilor Ludwick for hosting this meeting. We discussed the claim fund balance, number of employees and the correct about for the reserve.

Chairwoman Riley added we had a good discussion and will have a follow-up meeting to review

the plan and benefit summary.

Mrs. LeBlanc added we have not gone out to bid in 7 years. Our next meeting will be held on December 17th.

School Reports/Updates:

Mr. Jonaitis reported that JFK Principal Sarah Brown is putting everything on ParentSquare for parents to view events/activities.

Mr. Kober reported that Henry Barnard will place their Big Cat weekly update on ParentSquare. We will wear pink on October 18th for our district-wide Pink Out day. The PTO is still looking for volunteers and their next PTO meeting will be held on October 22nd on zoom.

Mr. Ryder reported that Eli Whitney Kid Governor is Wyatt Hulevitch with his mental health platform. He will compete against the other selected grade 5 student's at Prudence Crandall and Edgar H. Parkman. Whitney will hold several fundraiser events and Golden Spatula contest. Please refer to the school newsletter.

Mrs. Pickett referred parents to go to ParentSquare for information. She reported that Enfield Street PE teacher Mr. Mazza has put together activities for the entire school on October 16th to celebrate unity and inclusion. Students were asked to wear orange on October 16th and Pink on October 18th.

Mrs. Acree reported that Prudence Crandall students will participate in the October 29th Trick or Trunk being held at Enfield High School. They received the Enfield Food Shelf Food boat to fill again. They are looking for non-perishable food items. Some of the students were able to eat lunch with Superintendent Moccio. We are also raising funds for cancer research and encourage everyone to wear pink on October 18th. They will hold a Pride assembly on October 31st and the next PTO meeting will be held on October 22nd.

Dr. Calnen reported that Head Start held their Policy Committee meeting where they welcomed Mr. Moccio. Head Start is fully enrolled with 102 students and all screenings are almost completed. They also held a flu clinic at Stowe, and they will hold another one. We are working on a grant that will be submitted to the Board. He also provided an update about KITE. KITE is encouraging all families to register and to vote. They also have Election Day Play Packs available for families that register to vote. KITE will partner with EPS for the Youth Vote program.

Mr. Ryder reminded parents that iPad insurance is due on October 15th. The cost for the insurance is \$25 per student. He reminded parents that accidents happen.

Chairwoman Riley asked if this can be paid using myschoolbucks.com. Mr. Ryder stated that is correct.

Chairwoman Riley reminded families that Buzz Robotics is holding their pasta supper fundraiser event on October 23rd at Enfield High School.

14. APPROVAL OF MINUTES

Mrs. LeBlanc moved, seconded by Mrs. Pickett that the Regular Meeting Minutes of September 24, 2024, be approved. A vote by **show-of-hands 9-0-0** passed unanimously.

Mrs. LeBlanc moved, seconded by Mrs. Pickett that the Special Meeting Minutes of September 24, 2024, be approved. A vote by **show-of-hands 9-0-0** passed unanimously.

15. APPROVAL OF ACCOUNTS AND PAYROLL

Month of September FY2025

Mr. Kober moved, seconded by Mrs. Pickett that the Enfield Board of Education accepts the superintendent's certification for:

- The month of September 2025 total expenditures amount to \$6,110,257.13 broken down between payroll totaling \$4,485,020.61 and other accounts totaling \$1,625,236.52 and
- All payments have been made in accordance with the approved budget and are properly accounted for within the books of accounts. Copies of approval for check invoices are properly documented.

A vote by **show of hands 9-0-0** passed unanimously.

Mr. Kober moved, seconded by Mrs. Pickett that the Enfield Board of Education accepts the superintendent's certification for:

- The month of September 2025 the total Grant and Head Start expenditures amount to \$975,816.21, broken down between payroll totaling \$377,135.14 and other accounts totaling \$598,681.07 and;
- All payments have been made in accordance with the approved budget and are properly accounted for within the books of accounts. Copies of approval for check invoices are properly documented.

A vote by **show of hands 9-0-0** passed unanimously.

Line Item Transfers: None

16. CORRESPONDENCE & COMMUNICATION – Mr. Ryder reported that Board members each received an invitation to KITE's annual meeting that will be held on October 9th at 6 PM in the EHS Café.

17. EXECUTIVE SESSION - None

18. ADJOURNMENT

Mr. Kober moved, seconded by Mrs. Pickett to adjourn the Regular Meeting of October 8, 2024.

All ayes, motion passed unanimously. Meeting stood adjourned at 9:13 PM.

Scott Ryder
Secretary
Board of Education

Respectfully Submitted,

Kathy Zalucki, Recording Secretary
